Roberts, Hubbard win tourney

Violet Roberts and Robert Hubbard took first-place honors in the 1980 singles tennis tournament held May 31 and June 2 at the Falling River Country Club.

Nine men and six women were entered in the double-elimination tournament. Although the weather was hot and humid, play continued with almost all the matches going into three matches, and several tie breakers were played to determine winners.

The rain on Saturday afternoon caused a postponement until Sunday of several preliminary matches. As a result, several players had to play more games than usual Sunday. Extra sets coupled with extreme heat resulted in some forfeits and special playoffs before Violet Roberts and Robert Hubbard were determined to be the women's and men's winners.

WINNERS IN THE 1980 SINGLES' tournament at Falling River Country Club were (front, from left) Peggy Ferris (third place women) Violet Roberts (first place womep) Amy Roberts (third place women); back row, from let - - Bruce Cowan (third place men), Larry White (second place men), and Robert Hubbard (first place men).

'River Rats' hold successful rummage sale

You never saw happier faces than those of the boys of the "River Rat" patrol after their rummage sale May 17 in the parking lot of the Big Horn Market on Route 460.

The boys had taken some odds and ends donated to them and through a day's work, converted them into four tickets to scout summer camp. The four scouts from Troop 546, Appomattox, raised $230. Their goal was $220.

Roy Brennen, David Totty, Ben Martin and Roger Steinkamp thanked everyone who made their rummage sale a success and their trip to camp possible.

They particularly want to thank the Big Horn Market for the use of their parking lot, Mr. Gene Totty for the use of his truck, and their parents for their donations and support in the project.

MEMBERS OF THE BASEBALL team who were recognized for their performances are (from left) Kenny Wayne Burks, best hitter; Terry Woods, most valuable; and Darrell Schrock, best pitcher.

Even with excellent vision, you can't see beyond your headlights on open roads. If you drive too fast you can't stop within the area your lights illuminate. Don't overdrive your headlights, advises the Virginia Department of Transportation Safety.

Summer sun can cause blinding glare, enough to impair a driver's vision. Have a pair of glare reducing sunglasses within reach when driving, says the Virginia Department of Transportation Safety.
